PACIFIC SUNLOUNGER

ABOUT THE PACIFIC SUNLOUNGER

The Pacific Sunlounger is an injection moulded lounge with an extremely durable breathable synthetic fabric cover. The non-metallic frame will never unravel, rust or decay. Reinforced with glass fibre to add strength and boost the weight capacity. The Pacific Sunlounger is stackable, non-slip feet and small wheels, back reclining in 5 positions, designed for outdoor use, UV stable and weather proof, it will not fade or go brittle in Australia's harsh outdoor conditions. Strong yet lightweight, this sun lounger will add class to your venue. It's sleek profile is pleasant to the eye so this sun lounger is as charming as it is functional. Very easy to clean, just hose it down.
